

Shining Up Shores

**GREEN
LAKE** LUTHERAN
ministries

With more than 50 buildings on 240 acres across three separate sites, Green Lake Lutheran Ministries has no shortage of improvement projects waiting for funding and volunteers. Our current priorities are at our Shores of Saint Andrew property, home to our summer campers, grades 1 – 5, as well as seasonal retreaters.

Summer Staff & Alumni Cabins

While all three of our summer staff cabins are structurally solid, decades of heavy use, water damage and humidity require their gutting and complete renovation.

Each remodeled cabin will accommodate multiple year-round use possibilities for not only summer staff, but also alumni staff, retreaters or short-term residents.

Construction on the cabins will be completed one at a time as funding and volunteers are available.
