Dear Camper Parents,

We are so excited that you have chosen to send your child to Green Lake Bible Camp this summer! Spending a week at Bible Camp is an opportunity that has a life-long impact on faith. We are humbled by the opportunity to spread the life-changing love of Jesus to your camper this summer, and we are so excited to once again experience the amazing energy that fills our camp! This summer's theme, "Faith: *On Fire!*" will explore the ways that our Christian faith can inspire us to live boldly in response to the grace that we have been given. We are eager to explore the ways that our faith can grow and flourish at camp and at home.

When you arrive at camp, please come to the Dining Hall in the Chrysalis House (main building on site) to register your camper. Registration takes place from 2:00pm – 4:00pm. We encourage parents and congregational leaders to be present during registration to complete any remaining details: complete unfinished forms, ask questions, fill out waiver forms, etc.

In hopes to streamline the registration process, please have your camper's health form completed and in hand. However, *if your camper has allergies (other than seasonal) or special needs* please send the health form two weeks prior to camp to the address above. We are committed to your camper's safety, but will need time to make preparations to ensure an allergen free environment. Final Payments are due May 27th. If you registered for camp after May 27th, your final payment is due two-weeks prior to camp.

If you have any questions as you think ahead to your camper's week, please visit our website at gllm.org, contact us via email at camp@gllm.org or call our office (320)796-2181. We look forward to seeing you all this summer as we work together to get our Faith on Fire!

Sincerely,

Other Helpful Information

Physicals and Immunizations: State Law no longer requires physicals unless there are current health conditions or activity limitations noted on the health form. If all immunizations are current, you may indicate that on the health form and sign.

Roommates: We will do our best to form cabins based on congregational attendance. Your camper may request up to two roommates of the same grade level. Requests should be made *two weeks* prior to your camper's arrival at camp (if not already listed on your camper's registration form) by emailing kpeterston@gllm.org or calling (320) 796-2181.

Insurance: GLLM carries secondary accident insurance on campers. In case of an accident or injury, your insurance will be the primary coverage.

Medications: GLLM requires that all medications be checked in during Registration with our Health Aide. Campers need not bring over-the-counter medications as we keep standard medications on hand. Your camper will receive each dose of prescription and non-prescription medication, with authorization on their health form, from our Health Aide.

Canteen: Snacks range in price from \$1.00-\$2.00; clothing & trinkets range from \$3.00-\$50.00. Our canteen uses a banking system. This means that each camper will deposit money at the canteen during registration. This money will be available to them whenever the canteen is open for business. Campers will receive the remainder of their money in an envelope at the end of their camp week.
